4	25-09-2006	Ready for final internal evaluation	Nathalie Van de Wiele
5	28-09-2006	Final	Jean Larock

Deliverable manager

- Jean Larock, CRP-HT

List of Contributors

- Luc Vandenabeele, CRP-HT

List of Evaluators

- Nathalie Van de Wiele, ePrep

Summary

The Palette initial Brochure is a communication and dissemination tool. It aims to give a general overview of the project and to present its scientific and technical objectives and results. This Brochure will evolve with the further development of the project to give the best visibility to the Palette activities within workshops, conferences and other promotion activities.

2 – Palette initial Brochure..... 5

1 – Presentation of the initial Brochure

The first release of the palette Brochure has been designed to fulfil the first needs of communication and dissemination.

An updated version of the Brochure is foreseen to be released at month 10. This new version will take into account the evolution of the project at the date, will integrate a new layout reflecting the website graphics, and will include first project outputs.

The goal was here to present the project as part of the 6th Framework Programme, to introduce the consortium and to give a general view of Palette as for its aims, its scientific and technical objectives, its approaches in term of Workpackages.

So, the initial Brochure is composed of 4 pages:

1. Visual cover, with the Palette logo and complete title, and the European Commission, IST and FP6 logos.
2. Palette : Integrated Services for Communities of practice.
Description of the project, composed of three paragraphs:
 - a. About Palette
 - b. What is a CoP?
 - c. What CoPs need?
3. Palette: Pedagogical, organisational and technological challenges.
Description of the aims and means of the project, composed of three paragraphs:
 - a. Palette challenges
 - b. Palette expected impacts
 - c. CoPs implication
4. Fact sheet, composed of:
 - a. Project information
 - b. List of Partners
 - c. Logos of the Partners
 - d. Contact
 - e. URL of the project

This Brochure was in particular used in for dissemination at the TEL-CoPs'06 - 1st International Workshop on Building Technology Enhanced Learning solutions for Communities of Practice, in Crete, Greece - October 2, 2006.
